Please provide me with mileage reimbursement.
I have read and understand the following five statements:

1. The purpose of reimbursing for mileage is to allow low-income seniors a way to volunteer by helping with out-of-pocket expenses. Using funds obtained from RSVP, the Whatcom Volunteer Center allocates a total of \$.20 per mile to be distributed among those volunteers aged 55 years and older.
2. Reimbursement is provided for miles driven between my home and my volunteer worksite ONLY for up to 200 miles per month. In order to be eligible for mileage, worksite must be a registered partner agency of the Whatcom Volunteer Center.
3. The Whatcom Volunteer Center cannot reimburse me for miles driven while performing errands for other agencies.
4. In order to receive mileage reimbursement, I will submit to the Whatcom Volunteer Center by the fifth of the month, my completed time sheet with mileage box checked and signed by my supervisor(s) where indicated.
5. Reimbursement checks will be mailed after the twentieth of the month.
